72/2/42-

Dear Sir,

Mrs. L. C. West wrote me  
that you was acting as attorney  
for her as administrator  
of our father's estate in which  
we seek to recover our part of  
the estate from our brother  
Pitt.

This is a very shameful matter  
and I do hope that it can be  
settled out of court but Pitt  
is so money crazy that he may  
force us to it, but I want the  
matter settled lawfully and  
justly at any cost.

I will be satisfied with a  
very small per cent of what  
he got out of papa's estate but  
I don't think he ought to be  
allowed to take it all and  
the rest of us get nothing upon  
his claim that he paid for the  
sand pit with another promise  
to take care of papa after he  
had been paid the most of  
mama's estate for his promise  
to take care of papa as long as  
he lived.

So is Pitt forces us to it let  
the law take its course.

Yours truly,  
H. J. Carlisle.
